HAMPTON FALLS PROPERTY TAX

1940 - 1965

TOWN WARRANT

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hampton Falls on Tuesday, the eighth day of March, next at three of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of \$2,898.86 in payment for services to the Town by the Hampton Falls Volunteer Fire Department. (Signed by) Kenneth W. Swain, Richard O. Bohm, Robert Shillaber, Donald M. Chase, George Merrill, John McEachern III, Andrew Drakides, Eugene Heal, Gordon Janvrin, Alphonse Lemire and 11 others.

4. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars, (\$2,000) to add to the Capital Reserve Fund which was started in 1965 for a new Fire Truck. (Signed by) Eugene Heal, Donald Janvrin, Andrew Drakides, George Merrill, Louis B. Janvrin, Robert Davies, Richard Swain, Kenneth W. Swain, R. Bohm, R. Shillaber and 7 others.

5. To see if the Town will vote to raise and appro-

priate the sum of \$306.43 for Town Road Aid, the State to contribute \$2,042.87.

6. To see if the Town will vote to raise and appropriate the sum of \$150.00 for control of the White Pine Blister Rust, in Cooperation with the New Hampshire Department of Resources and Economic Development.

7. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to make safer and improve that part of the Drinkwater Road at and approaching the bend and bridge near the bottom of the "Dump Hill" on the East and of the "Brown Hill" on the West, near the present H. E. Gilson residence, by installing a longer culvert to widen the bridge area, and by also widening and smoothing the road and strengthening the shoulders of the road on both sides of the bridge, where most needed, up to the limit of said sum. (signed by) Alice S. Elton, Dalton Boynton, Florence Halliburton, Richard Halliburton, Eleanor Batchelder, Mary Creighton, William Ackroyd, Margaret Robinson, Donald Robinson, James Elton and 20 others.

8. To see if the Town will vote to raise and appropriate the sum of \$300.00 toward the removal of infected trees.

9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to paint the outside of the Library, to purchase two new book stacks, to repair the front steps, and make any other necessary repairs. (signed by) Gordon A. Janvrin, Jeanie Edgerly, Eloise Robinson, Donald Robinson, Margaret Robinson, Mark E. Kelley, Adelaide Kelley, Richard O. Bohm, Rosemary Bohm, Patricia P. Ordway and 5 others.

10. To see if the Town of Hampton Falls will vote to raise and appropriate the sum of \$100.00 to the Hampton, Hampton Falls Youth Association. (signed

by) Andrew Drakides, Lillian Drakides, Arvid Gustavson, Jr., Eugene Heal, Russell P. Merrill Jr., Georgianna Lemire, Dorothy Dail, John Trumbull, Edward Pevear, Robert Davies and 3 others.

11. To see if the Town will vote to raise and appropriate the sum of \$311.00 as authorized by RSA 31:4 par. XLX for the annual budget of the Seacoast Regional Development Association.

12. To see if the Town will have that part of Brown's Lane oiled, that was not done last time, a distance of about 200 feet beginning where the oiled part now ends, to end of Town Road. (signed by) Nathaniel Young, R. P. Merrill, Jr., A. H. Gustavson, Jr., Georgianna Lemire, Thomas Sawyer, Alexander Rossop, Opal Marshall, Maria Rossop, Michael Laughlin, Marilla Laughlin and H. Earl Osborne.

13. To see if the Town will vote to raise and appropriate the sum of \$44.25 to help sustain A Community Action Program (War on Poverty) The Federal Government contributes 90% while 10% must be forthcoming from local sources.

14. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

15. To see if the Town will vote to give the Selectmen authority to sell any property acquired by tax sale.

Article 16. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article IX, Section One (Definitions), by adding the following:

PRIVATE Personal use of property by owners of record

HOME OCCUPATION The sale of products made or grown in the home or on the home property

Article 17. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 3, (Agricultural - Residence District), by deleting the following two words from number twelve of Section A:

“and enterprizes”

The section then to read:

Article III

Section 3 Agricultural-Residence District (“A” District)

A. Permitted Use

12. Private recreation camps for seasonal or temporary use

Article 18. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 4D (Accessory Uses), by deleting the following word from Paragraph 2:

“Customary”

The section then to read:

Article III

Section 4

D. Accessory Uses

2. A home occupation, provided there be no structural alterations in the building involved which affect the exterior appearance.

Article 19. To see if the Town will vote to approve the following amendment to the Sub-division Regulations, Section III, Procedure, E. Approval, by amending this section to read as follows:

Section III

Procedure

E. Approval

The Board shall, within thirty days from the date of submission of the final plat, approve or disapprove the plat in accordance with Section

23, Chapter 53, Revised Laws of New Hampshire 1942 as amended. If the Board approves the plat, the Chairman or Secretary of the Board shall transmit a copy of such approval in writing to the Subdivider who shall then assume the responsibility for registering this and the properly approved plat with the Register of Deeds of Rockingham County.

Article 20. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, ADMINISTRATION, Article V, Section 2 (Permits), by deleting the following word from paragraph A2:

“demolition”

The paragraph then to read:

ADMINISTRATION

Article V

Section 2 Permits

A2. The structural alteration, restoration or moving of any building, structure or part thereof.

Article 21. To see if the Town will vote to approve the following amendment to the Sub-division Regulations, SECTION IV, General requirements for the Sub-division of Land, by deleting the following words from paragraph M- -2C:

“100% of which must be capable of being passed through a 2 inch mesh screen”

The paragraph then to read:

SECTION IV

General requirements for the Subdivision of land

M 2C. The finish course shall consist of fine gravel.

Article 22. To see if the Town will vote to approve the following amendment to the Zoning Ordinance, Article III, Section 3, (Agricultural - Residence Dis-

trict), A. Permitted Use, by adding the following words to Permitted Use number one:

“not to exceed two dwelling units”

Permitted Use number one then to read:

Article III

Section 3 Agricultural-Residence District (“A” District)

A. Permitted Use

1. Residences not to exceed two dwelling units

23. To see if the Town will vote to transact any other business that may legally come before this meeting.

Polls will not close before Eight O'clock P.M.

Business Meeting at Seven-Thirty O'clock P.M.

Given under our hands and seal, this Seventh day of February, in the year of our Lord nineteen hundred and sixty six.

AUDITORS' GENERAL REPORT

We, the undersigned Auditors, have this day examined the accounts of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Library Treasurer, and Road Agent and find them well vouched and correctly cast, with balances therein stated.

Donald M. Milbury,

George B. Stard

Richard O. Bohm

Town Auditors

January 7th and 8th, 1966

REPORT OF THE LIBRARY TRUSTEES

The Library Trustees thank Mr. Edwin Janvrin, upon his retirement as Trustee, for the many years he devoted to the betterment and beautifying of the library.

They are grateful too, to the many volunteers who acted as librarian on Saturdays during Mrs. Batchelder's illness, and to the "Friends" who have added so much to the facilities of the library.

The Grange and the "Friends" each contributed half the cost of re-wiring and separately metering the library for electricity.

THE FRIENDS OF THE LIBRARY

Hampton Falls' youngest service organization, the Friends of the Library, was started by interested citizens in October of 1964. Its functions are to improve the facilities of the Town Library by volunteer effort and to provide monthly programs of interesting variety.

During the first year of operation, the Friends have assisted the librarians in the duties of cataloging, filing and repairing books. Through donations and a series of fund-raising projects, the Friends have purchased a metal filing cabinet and a typewriter for use at the library. The organization also paid for half of the cost of rewiring the building. They have sponsored a book review contest for school children, decorated the library for Christmas and have contributed to local civic causes.

Entertaining and educational programs have been presented, designed to appeal to all ages and interests.

Membership in the Friends is open to all townspeople desiring to assist in the betterment of our library facilities.

Rosemary C. Bohm,
Secretary

FIRE CHIEF — VOLUNTEER FIRE DEPT.

- To the People of the Town of Hampton Falls:

The year 1965 has been a very busy one for the men of the Volunteer Fire Department.

Beside the usual duties of fighting fires and keeping the equipment in top shape the following improvements have been made.

We have painted the outside of the building and the downstairs part of the inside including the floor. We have also painted the Mack truck.

We have completed our office which contains our radio and Eletron equipment. Now during a fire or other emergency we have communication back to the fire house in case more help is needed.

We have lowered the windows in the front doors

so one can see outside to the street.

The men of the Department have worked hard to complete all the above projects as well as running suppers to help us financially.

The Ladies Auxiliary deserves much thanks for all the help and financial assistance they have rendered.

In the way of special assignments, the Department assisted the Hampton Falls Police Department last September in a man hunt for a missing patient from the Plimpton Nursing Home.

I am proud of the men in the Department and hope that we can serve you, the townspeople, as well in the coming year 1966.

We invite anyone interested in helping the department, or just wanting to visit the department to drop in at anytime.

Regular business meetings are held the first Tuesday of every month.

Eugene A. Heal

*REPORT OF THE LADIES' AUXILIARY
HAMPTON FALLS VOLUNTEER FIRE DEPT.*

The Ladies' Auxiliary would like to report that we have been very successful in financially assisting our Volunteer Fire Department this year.

We have given to our Volunteer Fire Department to date, the sum of \$700.00. This money was raised from our annual dance, clam bake, whist parties, card and candy sales, food sales, raffle, and the Fire Wardens' supper.

We have also increased our supply of silverware for the Fire Department kitchen.

Our membership has continued to increase and we would like to take this opportunity to thank all those who have assisted us in our efforts to help our Volunteer Fire Department.

Georgianna Lemire

Secretary, 1965

Calls received and made pertaining to police business	600

I submit this report as your Chief of Police. I have discharged my duties to the best of my ability. I have tried to stay within the budget as appropriated for the Police Department.

We are in great need of safety equipment for the men and cars on duty. I hope that the department will be able to purchase this equipment — such as belts and flares — for the coming year.

I am glad that we have the co-operation of our neighboring towns — Hampton and North Hampton to the north; Seabrook, Salisbury, Newburyport and Rockport to the south; Exeter, Brentwood and Derry to the west, as well as the State Police. Without the help of these departments, our town would have a much larger police budget than it now has.

*HAMPTON FALLS SCHOOL WARRANT***STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District in the Town of Hampton Falls,, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls, on the Fourth day of March 1966, at Four P.M. in the afternoon, and to cast ballots for candidates for the following District Offices:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.
5. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

You are also notified to meet at the same place at Eight O'Clock in the evening of the same day to act upon the following subjects:

6. To see what action the District will take in relation to reports of Agents, Auditors, Committees, or Officers chosen.
7. To see if the District will vote to establish a Contingency Fund in accordance with the Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year, and further to see if the District will appropriate the sum of \$700.00 for this purpose.

NOTE: During the past legislative session a law was passed allowing school districts to budget for a contingency fund not to exceed one per cent of the amount appropriated for school purposes, exclusive of capital expenditures and amortization of debt, during the preceding year. This Act allows money to be raised from taxes. However, the School Board proposes to continue to budget a contingency as income as well as expenditure; or, in other words, no money may be spent unless some is received from a source over and above the district assessment. The School Board feels that the contingency should be provided so that any additional monies received, within the maximum set limits, could be spent by the School Board. Since budgets are being planned 18 months in advance this article allows the School Board to accept and expend monies that were unforeseen during budget preparation such as a grant from a trust fund.

8. To see if the District will vote to raise and appropriate the sum of \$3,500.00 to be placed in the capital reserve fund established for the purpose of "constructing and equipping an addition or additions to the Lincoln Akerman School and alterations to the existing plant."

NOTE: The sum of \$3,500.00 is expected to be received from the State of New Hampshire as Hampton Falls' share of sweepstakes revenue.

9. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Hampton Falls this 10th
day of February 1966.

Report of the Superintendent of Schools

I welcome this opportunity to report to school officials and citizens of the District. In this, my fifth report, I wish to: (1) call attention to possible district consolidation; (2) summarize this school system's planning relative to Public Law 89-10, Elementary and Secondary Education Act of 1965; and (3) express some personal concerns regarding the possible misuse of achievement test data.

Study School District Consolidation

Last year's report included a preliminary discussion of possible district consolidation for Hampton, Hampton Falls, and North Hampton and voters indicated their interest in studying the possibilities by authorizing the appointment of a Cooperative Planning Committee in each of the three districts. Moderators named interested citizens to each committee and the committees merged, according to the Revised Statutes Annotated, to form a Cooperative Planning Board.

The Cooperative Planning Board has organized to provide for a division of labor and an in-depth study is being conducted.

The Cooperative Planning Board has provided a report which I understand will be found elsewhere in this School District Report.

Federal Legislation

Public Law 89-10, Elementary and Secondary Education Act of 1965, is viewed by most educators as evidence of a much greater interest on the part of the

federal government in the quality of public school education. To some critics, this "increased interest" portends federal controls as something evil. Actually federal aid or federal, financial participation is not new for we have benefited over a period of years from the school lunch program. Impacted-area aid is certainly a most significant revenue item and the National Defense Education Act has been of help in strengthening science, mathematics and modern foreign language instruction.

Federal money is not "free money." It is obviously raised from federal tax sources rather than from property taxes. The local district may or may not choose to participate in the kind of projects which can be funded and does therefore have the final authority.

There are five titles or sections to public law 89-10 which are of particular importance to us and I will attempt to describe in very general terms the implications for Supervisory Union 21.

Title I makes available federal funds to expand and improve elementary and secondary school programs for educationally deprived children. Educationally deprived children are those whose achievement is below that normally expected of children of their age and grade. The term does include children who are handicapped by physical, mental, or emotional impairment.

Five districts, namely Seabrook, Hampton, North Hampton, Rye and Winnacunnet have authorized the use of federal funds to offer special instruction to the educationally deprived within these districts. It is expected that this program will be partially implemented by March 15, 1966. Small group instruction will be provided to correct educational weaknesses. The group will meet after school hours, occasionally during the school day, and during the summer months.

Title II provides federal funds to supplement local

spending for library books and materials. The books and materials will be offered on a loan basis to all schools within the Supervisory Union and special arrangements for the distribution of these materials is being planned under a Title III grant.

Title III is designed to provide supplementary educational centers and services. In this section the United States Office of Education assumes the role primarily held by foundations and other private concerns of providing the financial incentive for creative proposals which seem to possess unusual promise of improved instruction.

The eight-member Advisory Committee which selected the grant winners reviewed 746 applications choosing only 69 projects to receive operational grants. Supervisory Union 21 was indeed fortunate to be one of the educational agencies selected. The grant will be used to provide effective instructional aids and equipment for the entire supervisory union as well as the related services offered by such a center.

Achievement Test Scores Have Harmful Side Effects

The use of test results in education is somewhat similar to the use of a drug, which use can result in harmful side effects. Sensitivity reactions may be as threatening to the patient as is the malady being treated.

Much has recently been written about the uses and abuses of achievement test results. In the State of California, for example, the General Assembly has twice debated the release of test data which emphasized the comparison of school districts and twice the General Assembly has voted to prohibit such release. In my mind the false conclusions implied should be treated in the same way that government agencies treat false advertising.

Within Union 21 there have been reports of parents

unwittingly comparing test scores of one child to those of another in the same family without demonstrating understanding and affection toward both children. There have been instances where comparisons between related pupils have resulted in setting one family against another, where parents and relatives use test results for self aggrandizement and where the peace and stability of a neighborhood has been lost because of gross misunderstandings as to the purpose and meaning of test data.

Our achievement tests in the elementary grades are used as diagnostic measures to evaluate the strength and weaknesses of the individual pupil. There are other, less important, uses of test results and this requires critical study and analysis by persons specifically trained for such work.

In Union 21 the achievement test results are made known to parents and parents are encouraged to discuss the testing with the child's teacher. I suggest you, as a parent, be concerned with your own child's strengths and weaknesses, his academic progress, and be ever aware that no test yet invented has eliminated all errors of measurement. The teacher can give you much more information than can be learned from any single diagnostic test.

Pupils of today are learning more, they are learning at a faster rate, and they are being taught skills that will serve them for a longer period of time, than were the pupils of ten years ago, or even five.

One indication is the upgrading of norms or standards used to measure achievement of pupils across the nation. A change occurred in 1955, and again nine years later in 1964 a re-norming or re-standardization program was undertaken by the makers of the Iowa Tests of Basic Skills, used in our local testing program.

Studies of test results enable the teacher to teach to the strengths and weaknesses of individual pupils or groups of pupils that appear to have similar needs. As pupils across the nation show improvement, norms once again must be raised, but as each cycle is completed an ever improving educational program is provided.

I greatly appreciate the many kindnesses shown me by school personnel, school officials and citizens.

Respectfully submitted,
Jason E. Boynton

Report Of The Cooperative Planning Board

Cooperative Planning Board Recommends Consolidation of Hampton, Hampton Falls, North Hampton

The school districts of Hampton, North Hampton and Hampton Falls each voted at the March 1965 School District Meeting to create a cooperative planning committee. The North Hampton moderator appointed Mr. Robert Barber, Mrs. George T. Prigge and Captain John F. Williams. Captain Williams has resigned because of a change in military assignment and has been replaced by Mr. Richard Jones. The Hampton moderator appointed Mr. C. Dean Shindledecker, Mrs. Lucille Batchelder and Mr. Theodore Scott, Jr. Hampton Falls committee members are Mr. John Robinson, Mrs. George Merrill and Mr. Robert Weaver. The three committees have joined together to form a Cooperative Planning Board and a study is being made of all aspects of a cooperative school system, Kindergarten through eight grade.

Working with a tentative target date of September, 1968, three sub - committees were formed; namely, Curriculum, Enrollment, Transportation and Building Needs, and Finance.

The recommendations of the Curriculum Sub-Committee include a Kindergarten for all pupils and further

that the instruction provided for grades one through five include specialists in music, art, physical education and remedial instruction in reading, arithmetic and work study skills. The recommendations further indicate that grade six would be, for the most part, a contained classroom situation with some departmentalization of science and mathematics. The Committee favored a close relationship between teacher and pupil in the early grades with specialized instruction being required when the content becomes too sophisticated for the generalists. The Committee recommends that in grades seven and eight departmentalized instruction be provided to include home economics, shop, physical education, and the inclusion of a second foreign language. The Board emphasized the importance of a strong language arts program in all grades.

Carefully prepared enrollment projections have been studied to determine the building and transportation requirements for September, 1968. This subcommittee believes there would be sufficient facilities to house all pupils at the time of consolidation -- should the growth rate be increased beyond present expectations it is apparent that additional space would be needed. Expansion of the curriculum would necessitate additional transportation costs.

From the study to date, Board members are convinced that many academic benefits will be realized when the consolidation is accomplished. Especially important would be the continuity of curriculum for all pupils within the three - town area. In addition, staff members and facilities could be shared by the districts and some duplication of effort could be eliminated.

The Board does expect a better quality of education would be provided with local districts receiving addition-

al state aid as a result of the consolidation. Districts presently receive 30% of each principal payment as state aid and a three - town cooperative would receive 45%.

The Finance Committee is developing its report and voters will be informed as the study continues.

Respectfully Submitted:

Cooperative Planning Board

Robert Barber, Chairman
